

GIOVANNA OLIVEIRA

Junior Software Engineer

About Me

I am a Software Engineering student and an enthusiastic junior in full-stack development. I have growing experience with languages, frameworks and development tools, and I'm eager to keep improving. I'm a proactive, curious, and motivated young professional, looking for an opportunity to learn, grow, and contribute to a team's success.

Education

- **Bachelor of Software Engineering**
INFINET - Rio de Janeiro, Brazil Jun 2025 - current
- **High School Diploma**
Escola Politecnica Brasileira - Natal, Brazil 2019 - 2021

Experience

- **Front-end Software Engineer**
Freelancer, Worldwide 2025 - current
I develop responsive web interfaces using HTML, CSS, JavaScript, and modern frameworks. I work on projects for international clients with a strong focus on performance, usability, and best practices. I also integrate APIs, use Git for version control, and collaborate in agile environments.
- **Administrative Assistant**
Conquista Distribuidora - Bahia, Brazil Ago 2020 - Dec 2021
Processed invoices, supported clients, and handled payment follow-ups. Assisted with logistics coordination and scheduling. Managed data entry and reports using Excel. Supported daily office operations, assisted different departments.
